## Sports Car Club of America [coloradoscca.org](http://coloradoscca.org)

**Contact:** [coloradoscca.org](http://coloradoscca.org)

The Sports Car Club of America, founded in 1944 by amateur motor sports enthusiasts has grown to more than 50,000 members in 100+ regions and sanctions more than 2000 amateur and professional motor sports events each year. No other club can offer its members the participation potential in motor sports than the SCCA can. Members can select from a menu of activities including Road Rallye; Autocross; Solo I & II; Pro Solo; Club road racing in Production, Improved Touring, Showroom Stock, Sports Racers, Spec Racers, Formula and Grand Touring cars; Professional road racing in Trans-Am; NAS-PORT; Escort Endurance and Racetracks; Pro Rallye in open, production and production GT classes for Divisional and National events. None of these events could happen without the race specialists, officials and administrators required to make an event happen. A variety of opportunities await members wanting to participate in racing. It is these people you will find staffing most of the positions at major events such as the Denver Grand Prix. Get involved, go racing!

## Rocky Mountain Vintage Racing [rmvr.com](http://rmvr.com)

You promised yourself you would one day go racing!

**Contact:** Linea Schakel, 303-319-3062, [email.admin@rmvr.com](mailto:email.admin@rmvr.com)  
RMVR is the place for those who seek more than car shows or lunch drives with their vintage wheels. We race with Vintage Spirit on road courses along the Front Range, prioritizing enjoyment of the cars ahead of winning at all costs. Established in 1983 as a non-profit, our volunteer organization conducts five to seven track events per year, plus a Competition Driving School and a Fire & Rescue School to provide hands-on training for our corner marshals.

It's real racing, with weekend paddocks typically occupied by 80-130 racers waiting for their run groups to be called to the grid. Sound interesting? Visit [www.rmvr.com](http://www.rmvr.com) and check out our Event Schedule or to learn how you can participate. Spectators are welcome, and there's nothing quite like the sound of the engines going to full throttle when the green flag flies!
